Re: 911 Monthly Maintenance Item Background

---

On July 7, 2006 Monroe County completed our commitment to the contract with Bellsouth for the purchase and maintenance of the 911 equipment. To ensure the reliability of the system, we are requesting approval to advertise for sealed bids for the maintenance of the 911 system county wide. This bid will be for a month to month maintenance agreement on the 911 equipment. The 911 equipment is located at the Key West Police Department, Monroe County Sheriffs Office Central Dispatch, and the Ocean Reef Public Safety Building.
